

GiveBig: Add Images

You may add images and photos to your Fundraiser or Organization's profile page.

For adding images follow the guidelines below:

- Image width at or below 600 pixels. 600 pixels is the full width of your profile section.
- 72 dpi
- File size 250KB or less. A file size larger than 250KB can slow or cause problems when loading the page.

Video: How to re-size and add an image
